Re: COUNTY CODE VOLUME II

Members of the Board:

On February 25,2003, your Board considered a report that outlined the process under which your Board would consider and implement the recommendations presented by the Planning Department in response to the recommendations and observations in the letter of Supervisors Almquist and Wormhoudt, dated June 25,2002. Your Board directed the Planning Department to return with reports reviewing the individual recommendations regarding several of the recommendations. One of the recommendations was to "work with the County Administrative Officer, Supervisor Almquist and Supervisor Wormhoudt to develop a proposal, including cost estimates and a work program, for a committee or task force to review Volume II of the Santa Cruz County Code...." Staff has not yet completed the consultations with the County Administrative Officer and the Supervisors on this recommendation.

It is, therefore, RECOMMENDED that your Board defer consideration of this matter to April 8, 2003.

Sincerely,

Alvin D. James
Planning Director
