SANTA CRUZ COUNTY BOARD OF SUPERVISORS

Santa Cruz, California 95060

SUBJECT: WILDER RANCH BIKE PATH PROJECT PLANT ESTABLISHMENT PERIOD INDEPENDENT CONTRACTOR AGREEMENT

Members of the Board:

Construction of Wilder Ranch Bike Path Project, which began in June 2001, is now nearing completion. The remaining work includes the revegetation portion of the project, and the Public Works Department is proposing to enter into a separate contract with a landscape contractor, Central Coast Wilds, for this required mitigation work.

The plant establishment work for this project was originally included as part of the low bid as submitted by the general contractor, Santa Cruz Engineering, and was approved by your Board on April 17, 2001. The work provided for a three-year plant establishment and monitoring period with the subcontractor to begin sixty days after the project was accepted. The original bid price for this service was $29,315.

Due to delays in project construction resulting from the California Department of Transportation amendments, archeological issues and design changes, the landscape contractor is now requesting an 8 percent cost increase of $2,345 (see attached justification) to reflect his current labor costs, and the revised plant establishment period will be for a three-year period from the date your Board accepts the notice of completion on the Wilder Ranch Bike Path Project. Presented here for your consideration is an independent contractor agreement in the not-to-exceed amount of $31,660 for the plant establishment work for the project. Sufficient funds are available for the contract in the approved 2002/2003 Road Budget.

SO

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the attached independent contractor agreement with Central Coast Wilds for a not-to-exceed amount of $31,660.

2. Authorize the Director of Public Works to sign the agreement on behalf of the County.

Yours truly,

THOMAS L. BOLICH
Director of Public Works

INDEPENDENT CONTRACTOR AGREEMENT

THIS CONTRACT is entered into this 18th day of March, 2003, by and between the COUNTY OF SANTA CRUZ, hereinafter called COUNTY, and CENTRAL COAST WILDS , hereinafter called CONTRACTOR. The parties agree as follows:

1. DUTIES. CONTRACTOR agrees to exercise special skill to accomplish the following result: PROVIDE THREE-YEAR PLANT ESTABLISHMENT FOR WILDER RANCH BIKE PATH PROJECT AS DESCRIBED IN THE ATTACHED SPECIAL PROVISIONS.

2. COMPENSATION. In consideration for CONTRACTOR accomplishing said result, COUNTY agrees to pay CONTRACTOR as follows: NOT TO EXCEED $31,660, IN A MANNER DESCRIBED IN THE WILDER RANCH BIKE PATH SPECIAL PROVISIONS.

3. TERM. The term of this contract shall be: FROM BOARD APPROVAL TO COMPLETION.

4. EARLY TERMINATION. Either party hereto may terminate this contract at any time by giving 30 days written notice to the other party.

5. INDEMNIFICATION FOR DAMAGES, TAXES AND CONTRIBUTIONS. CONTRACTOR shall exonerate, indemnify, defend, and hold harmless COUNTY (which for the purpose of paragraphs 5 and 6 shall include, without limitation, its officers, agents, employees and volunteers) from and against:

A. Any and all claims, demands, losses, damages, defense costs, or liability of any kind or nature which COUNTY may sustain or incur or which may be imposed upon it for injury to or death of persons, or damage to property as a result of, arising out of, or in any manner connected with the CONTRACTOR'S performance under the terms of this Agreement, excepting any liability arising out of the sole negligence of the COUNTY. Such indemnification includes any damage to the person(s), or property(ies) of CONTRACTOR and third persons.

B. Any and all Federal, State and Local taxes, charges, fees, or contributions required to be paid with respect to CONTRACTOR and CONTRACTOR'S officers, employees and agents engaged in the performance of this Agreement (including, without limitation, unemployment insurance, social security and payroll tax withholding).

6. INSURANCE. CONTRACTOR, at its sole cost and expense, for the full term of this Agreement (and any extensions thereof), shall obtain and maintain at a minimum compliance with all of the following insurance coverage(s) and requirements. Such insurance coverage shall be primary coverage as respects COUNTY and any insurance or self-insurance maintained by County shall be excess of CONTRACTOR'S insurance coverage and shall not contribute to it.

SO

If CONTRACTOR utilizes one or more subcontractors in the performance of this Agreement, CONTRACTOR shall obtain and maintain Independent Contractor's Insurance as to each subcontractor or otherwise provide evidence of insurance coverage for each subcontractor equivalent to that required of CONTRACTOR in this Agreement, unless CONTRACTOR and COUNTY both initial here _____/_____

A. Types of Insurance and Minimum Limits

(1) Worker's Compensation in the minimum statutorily required coverage amounts. This insurance coverage shall not be required if the CONTRACTOR has no employees and certifies to this fact by initialing here _____

CONTRACTOR may maintain the required post agreement coverage by renewal or purchase of prior acts or tail coverage. This provision is contingent upon post agreement coverage being both available and reasonably affordable in relation to the coverage provided during the term of this Agreement. For purposes of interpreting this requirement, a cost not exceeding 100% of the last annual policy premium during the term of this Agreement in order to purchase prior acts or tail coverage for post agreement coverage shall be deemed to be reasonable.

(2) All required Automobile and Comprehensive or Commercial General Liability Insurance shall be endorsed to contain the following clause: 01 13

DEPARTMENT OF PUBLIC WORKS
701 OCEAN STREET, ROOM 410
SANTA CRUZ, CA 95060

7. EQUAL EMPLOYMENT OPPORTUNITY. During and in relation to the performance of this Agreement, CONTRACTOR agrees as follows:

A. The CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, color, religion, national origin, ancestry, physical or mental disability, medical condition (cancer related), marital status, pregnancy, sex, sexual orientation, age (over 1S), veteran status or any other non-merit factor unrelated to job duties. Such action shall include, but not be limited to the following: recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training (including apprenticeship), employment, upgrading, demotion, transfer. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notice setting forth the provisions of this non-discrimination clause.

B. If this Agreement provides compensation in excess of $50,000 to CONTRACTOR and if CONTRACTOR employs fifteen (15) or more employees, the following requirements shall apply:

(1) The CONTRACTOR shall, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry, physical or mental disability, medical condition (cancer related), marital status, pregnancy, sex, sexual orientation, age (over 18), veteran status, or any other non-merit factor unrelated to job duties. In addition, the CONTRACTOR shall make a good faith effort to consider Minority/Women/Disabled Owned Business Enterprises in CONTRACTORs solicitation of goods and services. (2) In the event of the CONTRACTOR'S non-compliance with the non-discrimination clauses of this Agreement or with any of the said rules, regulations, or orders said CONTRACTOR may be declared ineligible for further agreements with the COUNTY.

(3) The CONTRACTOR shall cause the foregoing provisions of this Subparagraph 7B. to be inserted in all subcontracts for any work covered under this Agreement by a subcontractor compensated more than $50,000 and employing more than fifteen (15) employees, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

. 8. INDEPENDENT CONTRACTOR STATUS. CONTRACTOR and COUNTY have reviewed and considered the principal test and secondary factors below and agree that CONTRACTOR is an independent contractor and not an employee of COUNTY. CONTRACTOR is responsible for all insurance (workers compensation, unemployment, etc.) and all payroll related taxes. CONTRACTOR is not entitled to any employee benefits. COUNTY agrees that CONTRACTOR shall have the right to control the manner and means of accomplishing the result contracted for herein.

PRINCIPAL TEST: The CONTRACTOR rather than COUNTY has the right to control the manner and means of accomplishing the result contracted for.

SECONDARY FACTORS: (a) The extent of control which, by agreement, COUNTY may exercise over the details of the work is slight rather than substantial; (b) CONTRACTOR is engaged in a distinct occupation or business; (c) In the locality, the work to be done by CONTRACTOR is usually done by a specialist without supervision, rather than under the direction of an employer; (d) the skill required in the particular occupation is substantial rather than slight; (e) The CONTRACTOR rather than the COUNTY supplies the instrumentalities, tools and work place; (f) The length of time for which CONTRACTOR is engaged is of limited duration rather than indefinite; (g) The method of payment of CONTRACTOR is by the job rather than by the time; (h) The work is part of a special or permissive activity, program, or project, rather than part of the regular business of COUNTY; (i) CONTRACTOR and COUNTY believe they are creating an independent contractor relationship rather than an employer-employee relationship; and (j) The COUNTY conducts public business.

It is recognized that it is not necessary that all secondary factors support creation of an independent contractor relationship, but rather that overall there are significant secondary factors which indicate that CONTRACTOR is an independent contractor.

By their signatures to this Agreement, each of the undersigned certifies that it is his or her considered judgment that the CONTRACTOR engaged under this Agreement is in fact an independent contractor.

9. CONTRACTOR represents that its operations are in compliance with applicable County planning, environmental and other laws or regulations.

10. CONTRACTOR is responsible to pay prevailing wages and maintain records as required by Labor Code Section 1770 and following.

11. NONASSIGNMENT. CONTRACTOR shall not assign this agreement without the prior written consent of the COUNTY.

12. RETENTION AND AUDIT OF RECORDS. CONTRACTOR shall retain records pertinent to this Agreement for a period of not less than five *(5)* years after final payment under this Agreement or until a final audit report is accepted by COUNTY, whichever occurs first. CONTRACTOR hereby agrees to be subject to the examination and audit by the Santa Cruz County Auditor-Controller, the Auditor General of the State of California, or the designee of either for a period of five *(5)* years after final payment under this Agreement.

13. PRESENTATION OF CLAIMS. Presentation and processing of any or all claims arising out of or related to this Agreement shall be made in accordance with the provisions contained in Chapter 1.05 of the Santa Cruz County Code, which by this reference is incorporated herein.

14. ACKNOWLEDGMENT. CONTRACTOR shall acknowledge in all reports and literature that the Santa Cruz County Board of Supervisors has provided funding to the CONTRACTOR.

15. ATTACHMENTS. This Agreement includes the following attachments: WILDER RANCH BIKE PATH PROJECT SPECIAL PROVISIONS AND PROPOSED PRICE CHANGE FOR MAINTENANCE CONTRACT.

16. LIVING WAGE. This agreement is covered under Living Wage provisions if this section is initialed by COUNTY _____

This agreement is subject to the provisions of Santa Cruz County Code Chapter 2.122, requiring payment of a living wage to covered employees, if item #16 above is initialed by the COUNTY. Non-compliance during the term of the contract will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

If a contract for Living Wage covered services in excess of $50,000 is terminated prior to its expiration, any new contract with a subsequent contractor for the same services must include this term:

> "CONTRACTOR shall make best efforts to offer employment to qualified employees of the prior contractor for the performance of this contract. Such efforts shall not be required in regard to employees who are (1) exempt under the Fair Labor Standards Act, **(2)** family members of the prior contractor, (3) employed by the prior contractor for less than six months, or (4) convicted of a job-related or workplace crime. Upon request by the COUNTY, the CONTRACTOR shall demonstrate to the COUNTY that good faith efforts have been made to comply with this provision."

IN WITNESS WHEREOF, the parties hereto have set their hands the day and year first above written.

Re: **Wilder** Bike Path - Federal Job No, CML-5936(029)
Proposed Price Change for Maintenance Contract

Dear Ms. Silva;

Due to the delay in project implementation for the **Wilder** Bike Path, **we** request that the maintenance contract **be** increased in **order** to reflect increased labor costs for our company.

According to the General Prevailing Wage Determination made **by** the Director *of* Industrial Relations dated August 22, 2000, prevailing **wage** for Group 4 labor was set at $22.36/hr. This wage, according to the Determination dated July 15, 2002 has increased to $24.16, which **is** an 8% increase. Therefore, we request an **8%** increase over the amount that we estimated when **we** were chosen as the restoration subcontractor for this project. Please see below for details:

Original Estimate:	$ 29,315
8% Increase:	**$ 2,345**
Total:	**$ 31,660**

If you have **any** questions or comments concerning this **proposed** change order, please **do** not hesitate to contact me at **(831)459-0656.**

Regards,

Joe Rigney

WILDER RANCH BIKE PATH PROJECT SPECIAL PROVISIONS

10-2.30 (S) PLANT ESTABLISHMENT PERIOD. The Plant Establishment Period shall be Type 1 and shall apply to all trees, plants, and seeded areas installed for Permanent Erosion Control as part of the Wilder Ranch Bike Path Project and in accordance with Section 20, "Erosion Control and Highway Planting," of the Standard Specifications and these special provisions.

A. CONTRACT REQUIREMENTS

1. The contractor hired to do this plant establishment work shall be an experienced habitat restoration specialist, hold a C-27 Landscape Contracors Licence and licensed to grow and sell native nursery stock. In addition, the revegetation specialist shall have experience in native seed and plant material collection and specialize in propagating site specific plants. The subcontractor shall submit a list of references to be reviewed by the project landscape architect to make sure they qualify for this type of work. This will include the submital of four jobs similar to the Wilder Ranch Bike Path Project revegetation work that he/she has done within the last four years.

2. The contractor must have a C-27 California State Contractor's License. Contractor must provide the County with proof of valid business and contractor's licenses.

3. The contractor, at its sole cost and expense, for the full term of the contract(s), shall obtain and maintain minimum compliance with the following insurance coverage(s) and requirements. Such insurance coverage shall be primary coverage as respects County or State, and any insurance or self-insurance maintained by County or State shall be excess of contractor's insurance coverage and shall not contribute to it.

4. If contractor utilizes one or more subcontractors in the performance of this scope of work, contractor shall obtain and maintain independent contractor's insurance as to each subcontractor or otherwise provide evidence of insurance coverage for each subcontractor equivalent to that required of Contractor.

a. Workman's Compensation in the statutorily required coverage amounts.

b. Automobile Liability Insurance for each of Contractor's vehicles used in the performance of this contract, including owned, non-owned (e.g., owned by Contractor's employees, leased or hired vehicles), in the minimum amount of $500,000 combined single limit per occurrence for bodily injury and property damage.

c. Comprehensive or Commercial General Liability Insurance coverage in the minimum amount of $1,000,000 combined single limit, for each of the following: a) bodily injury, b) personal injury, c) broad form property damage, d) contractual liability, and e) cross-liability.

Proof of required insurance coverage shall be submitted to the County prior to approval of the Plant Establishment Period contract.

5. Other Insurance Provisions.

a. If any required insurance coverage is provided on a "Claims Made" rather than "Occurrence" form, Contractor agrees to maintain the required coverage for a period of three (3) years after the expiration of the Plant Establishment Period. Contractor may maintain the required post agreement coverage by renewal or purchase of prior acts or tail coverage. This provision is contingent upon post agreement coverage being both available and reasonably affordable in relation to the coverage provided during the term of Plant Establishment Period contract. For purposes of interpreting this requirement, a cost not exceeding 100% of the last annual policy premium during the term of the Plant Establishment Period contract in order to purchase prior acts or tail coverage for post agreement coverage shall be deemed to be reasonable.

b. All required Automobile and Comprehensive or Commercial General Liability Insurance shall be endorsed to contain the following clause:

"The County of Santa Cruz and the California Department of Transportation , their officials, employees, agents and volunteers are added as additional insurers as respects the operations and activities of, or on behalf of, the named insureds performed under agreement with the County of Santa Cruz and the California Department of Transportation ."

c. All required insurance policies shall be endorsed to contain the following clause:

"This insurance shall not be canceled until after thirty (30) days prior written notice has been given to:
County of Santa Cruz
Public Works Department
701 Ocean Street, Room 410
Santa Cruz, CA 95060"

d. Contractor agrees to provide its insurance broker(s) with a full copy of these insurance provisions and provide County on or before the effective date of the Plant Establishment Period agreement with Certificates of Insurance for all required coverage. All Certificates of Insurance shall be delivered or sent to:

County of Santa Cruz
Public Works Department
701 Ocean Street, Room 410
Santa Cruz, CA 95060

B. MEASUREMENT AND PAYMENT

Payment for plant establishment period will not be made to the contractor as part of the project. The contract lump sum price for the plant establishment period will be used to establish a separate contract with the landscape subcontractor to perform the landscape establishment work described in this section.

The plant establishment period will end three (3) years from date of Board approval, depending on the actual date of approval of the plant establishment period contract by the county.

Payment for plant establishment period will be made in equal monthly payments during the plant establishment period based upon the monthly rate established by the contract lump sum price.

The contract lump sum price paid for plant establishment period shall include full compensation for furnishing all labor, material, tools, equipment, and incidentals and for doing all the work involved in plant establishment period for a three (3) year period as shown on the plans and as directed by the Engineer, including providing water, clearing trash, debris and weeds and disposal of all excess material, and no additional compensation will be allowed therefor.
