SURPLUS PROPERTY REQUEST

Dear Members of the Board:

Pursuant to Section 2.37.040 of the County Code, the General Services Department is recommending that the vehicles listed on Exhibit A be declared surplus property. These vehicles have been released as obsolete or unusable. The property listed is not re-assignable to other County departments because of the age or physical condition of the vehicles. The vehicles listed are all in poor condition and either have high mileage, extensive service history, and/or prior damage.

In accordance with County policy, fleet vehicles determined suitable for use by non-profit agencies may be surplussed to local non-profits. One of these vehicles listed on Exhibit **A** has been determined suitable for use by a non-profit agency, and will be made available to an appropriate non-profit pursuant to your Board's Surplus Vehicle Distribution Program.

It is therefore RECOMMENDED that your Board declare the items listed on Exhibit A to be surplus and direct the Director of General Services to arrange for their disposition.

Very truly yours,

GERALD L. DUNBAR
Director
irector
