SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: 2006 COUNTY SERVICE AREA (CSA) RESURFACING PROJECT
CONTRACT NUMBER CW63438, PUBLIC WORKS JOB NUMBER 23902
NOTICE OF COMPLETION

Members of the Board:

The subject project was completed on November 2,2007. The contractor was International Surfacing Systems of Modesto, California. This project consisted of resurfacing various county service area roads through digouts of failed pavement and the placement of a sealcoat and/or asphalt concrete overlay.

The original bid price was $192,657.30. Total construction cost is $65,503.04. The decrease is a result of Contract Change Order Number 1 which deleted items 2 through 6. All but one of the County Service Areas withdrew from the contract due to unit prices being more than they could afford; only the Hutchinson Road, CSA 13 representatives chose to proceed with their chipseal. A summary of final costs is attached for your information.

It is therefore recommended that the Board of Supervisors take the following action:

1. Accept the improvements and approve the final cost of $65,503.04.

2. Authorize the Clerk of the Board to file the Notice of Completion, a copy of which is attached.

3. Direct the County Recorder to return the original Notice of Completion to the Clerk of the Board.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
