Financing of Soquel Avenue Overlay Project Contract Change Order

Dear Members of the Board:

In a separate item on today's agenda, the Public Works Department is requesting your approval of a contract change order for the Soquel Avenue Overlay and Sewer Replacement Project. In order for the funds necessary to approve this change order to be available, a parallel action is required from you, as the Board of Directors for the Redevelopment Agency.

The asphalt concrete overlay work on Soquel Avenue is being financed by the Redevelopment Agency. The Redevelopment Agency's total cost for the change order is $71,101.06, which includes $61,559.35 for the change order plus contingency and overhead. Sufficient funds are available in the Agency's 2006/07 budget. Redevelopment Agency staff has determined that the project is of benefit to the Project Area, that no other reasonable means of financing the improvements are available to the community, that the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's Five Year Implementation Plan.

It is therefore RECOMMENDED that your Board, as the Board of Directors for the Redevelopment Agency, take the following actions:

1. Approve Agency funds totaling $71,101.06 for the cost of the construction change order for the Soquel Avenue Overlay Project; and

2. Concur with and adopt the associated findings.

Very truly yours,

Betsey Lynberg
Redevelopment Agency Administrator
