NOTICE OF COMPLETION: Gasoline Dispensing Vapor Recovery Project # 04C1-007

Members of the Board:

The subject project was completed on March 28, 2005 by Triton Construction. This project consisted of upgrading the County Fueling Station in order to comply with the current Air Resources Board Enhanced Vapor Recovery Requirements **for** existing underground gasoline dispensing tanks. The original bid amount was $52,400. There has been one approved change order, which reduced the final cost of the project by $2,000. The approved item on the change order included deleting the electrical conduit. The final construction cost for this project is $50,400.

It is therefore RECOMMENDED that your Board take the following actions:

1. Accept the project as completed;
2. Approve the final cost of $50,400; and
3. Authorize the Clerk of the Board to file the attached executed Notice of Completion with the Office of County Recorder.

Very truly yours,

Gerald L. Dunbar
