RE: APPOINTMENT TO LOMPICO COUNTY WATER DISTRICT BOARD OF DIRECTORS

Dear Members of the Board:

On March 15, 2005, the Lompico County Water District was advised of the resignation of Diana Wright Troxell from the District Board of Directors. Government Code Section 1780 (a) provides that the District may fill the vacancy by appointment within 60 days. Because the District Board did not make an appointment within 60 days, Government Code Section 1780 (b) provides that the Board of Supervisors may fill the vacancy within 90 days of the date the District Board is notified of the vacancy.

Accordingly, I recommend the appointment of the following person to the Lompico Water District Board of Directors for the balance of the unexpired term:

Patrice Ballou
11080 Lake Boulevard
Felton, CA 95018

Sincerely,

Mark W. Stone

Please explain briefly why you would like to be appointed to the Board of Directors and note any particular areas of interest: (use a separate sheet of **paper,** or back **of** this form if necessary).

My main issue is serving the community. I have special interests because I live in the area. I have organized the Dance community in Santa Cruz.

I've always worked with many people. In organizing and preforming dance. I've also organized many different shows held at County Fairs Palenda. As well as in Santa Cruz. People and people's interest is what they do is what I do.

I also have a great interest in community. I care about where I live and what is happening in the area I live in. This is the second time I have applied for this job. And I hope this time you will take great considerations towards my volenteer work with you.
