BOARD OF SUPERVISORS
County of Santa Cruz
701 Ocean Street
Santa Cruz, CA 95060

Re: Hepatitis C Prevention and Control Project Grant

Dear Members of the Board:

On August 28, 2001, your Board authorized submission of a funding application to the California Department of Health Services, Disease Investigations and Surveillance Branch (CDHS/DISB) to design and implement a Hepatitis C Prevention and Control Project. The Health Services Agency (HSA) is pleased to announce that CDHS/DISB awarded the County a 14-month grant in the amount of $88,000 for this program. The HSA Hepatitis C Prevention and Control Project was one of eight projects funded by the CDHS/DISB. Attached are two resolutions necessary to authorize HSA to sign the State Standard Agreement and to accept and appropriate $39,845 in unanticipated revenue in FY 2001/02 for the Hepatitis C Project.

The goals of the Hepatitis C Project are to reduce the incidence of acute hepatitis C virus infection in California and to limit the progression and health complications of chronic hepatitis C-related liver disease in Californians who are already infected. The implementation of Hepatitis C Project is a critical first step in achieving these goals. This project will provide outreach, education, counseling, testing and/or referrals to at-risk populations.

The Hepatitis C Project is a regional collaborative effort that will involve HSA, the Santa Cruz AIDS Project, the County Veteran Services Office and the Veterans Administration Medical Center in Palo Alto. The project will promote primary prevention by expanding testing to include additional high-risk sites, including drug treatment centers, detention facilities, and transitional housing facilities; improve data collection systems in order to gather more information about risk categories and veteran status; and enhance secondary prevention by providing information and education to persons with known or newly-detected hepatitis C infection to help prevent or limit progression of the disease. These expanded services will include a subcontract with Santa Cruz AIDS Project in the amount of $34,386. No county funds are necessary to implement this new grant program.
The Hepatitis C Prevention and Control Project will assist our community in the realization of its goal for a comprehensive approach to hepatitis C education and outreach. These expanded components of our program will enhance on-going efforts to improve the prevention and treatment of hepatitis C in Santa Cruz County.

It is therefore RECOMMENDED that your Board:

1. Adopt the attached resolution authorizing the Health Services Administrator, or their designee – the Health Services Agency Director of Administration, to sign the State standard agreement with the California Department of Health Services for the Hepatitis C Prevention and Control Project in the amount of $88,000; and

2. Direct the Clerk of the Board to forward two certified copies of the resolution authorizing signature of the State standard agreement to the Health Services Agency for processing to the State; and

3. Adopt the attached resolution accepting and appropriating $39,845 in unanticipated revenue for the Hepatitis C Prevention and Control Project; and

4. Authorize the Health Services Agency to negotiate an agreement with the Santa Cruz AIDS Project for activities funded by the Hepatitis C Prevention and Control Project and return to your Board with the final agreement.

Sincerely,

Rama Khalsa, Ph.D.,
Health Services Administrator

(Applicable if travel and/or per diem expenses are reimbursed with contract funds.)

Reimbursement for travel and per diem expenses from DHS under this agreement shall, unless otherwise specified in this agreement, be at the rates currently in effect, as established by the California Department of Personnel Administration (DPA), for nonrepresented state employees. If the DPA rates change during the term of the agreement, the new rates shall apply upon their effective date and no amendment to this agreement shall be necessary. Exceptions to DPA rates may be approved by DHS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior written authorization from DHS.

2. Procurement Rules

(Applicable to all agreements in which equipment, miscellaneous property, commodities and/or supplies are furnished by DHS or expenses for said items are reimbursed with state funds.)

a. Equipment definitions

Wherever the term equipment and/or miscellaneous property is used, the following definitions shall apply:

(1) **Major equipment:** A tangible or intangible item having a base unit cost of **$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by DHS or the cost is reimbursed through this agreement. Software and videos are examples of intangible items that meet this definition.

(2) **Minor equipment:** A tangible item having a base unit cost of **less than $5,000** with a life expectancy of one (1) year or more that is listed on the DHS Asset Management Unit’s Minor Equipment List and is either furnished by DHS or the cost is reimbursed through this agreement. Contractors may obtain a copy of the Minor Equipment List by making a request through the DHS program contract manager.

(3) **Miscellaneous property:** A specific tangible item with a life expectancy of one (1) year or more that is either furnished by DHS or the cost is reimbursed through this agreement. Examples include, but are not limited to: furniture (excluding modular furniture), cabinets, typewriters, desktop calculators, portable dictators, non-digital cameras, etc.

b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this agreement. Said procurements are subject to Paragraphs d through h of Provision 2. Paragraph c of Provision 2 shall also apply, if equipment purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.

c. **Nonprofit organizations and commercial businesses,** whether acting as a contractor and/or subcontractor, may secure commodities, supplies, equipment and services related to such purchases for performance under this agreement.

(1) Equipment purchases shall not exceed $50,000 annually.

To secure equipment above the annual maximum limit of $50,000, the Contractor shall make arrangements through the appropriate DHS program contract manager, to have all remaining equipment purchased through DHS’ Purchasing Unit. The cost of equipment purchased by or through DHS shall be deducted from the funds available in this agreement. Contractor shall submit to the DHS program contract manager a list of equipment specifications for those items that the State must procure. The State may pay the vendor directly for such arranged equipment purchases and title to the equipment will remain with DHS. The equipment will be delivered to the Contractor’s address, as stated on the face of the agreement, unless the
Contractor notifies the DHS program contract manager, in writing, of an alternate delivery address.

(2) All equipment purchases are subject to Paragraphs d through h of Provision 2. Paragraph b of Provision 2 shall also apply, if equipment purchases are delegated to subcontractors that are either a government or public entity.

(3) Nonprofit organizations and commercial businesses, shall use a procurement system that meets the following standards:

(a) Maintain a code or standard of conduct that shall govern the performance of its officers, employees, or agents engaged in awarding procurement contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a procurement contract in which, to his or her knowledge, he or she has a financial interest.

(b) Procurements shall be conducted in a manner that provides, to the maximum extent practical, open, and free competition.

(c) Procurements shall be conducted in a manner that provides for all of the following:

[1] Avoid purchasing unnecessary or duplicate items.

[2] Equipment solicitations shall be based upon a clear and accurate description of the technical requirements of the goods to be procured.

[3] Take positive steps to utilize small and veteran owned businesses.

d. Unless waived or otherwise stipulated in writing by DHS, prior written authorization from the appropriate DHS program contract manager will be required before the Contractor will be reimbursed for any purchase of $5,000 or more for commodities, supplies, equipment, and services related to such purchases. The Contractor must provide in its request for authorization all particulars necessary, as specified by DHS, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.

e. In special circumstances, determined by DHS (e.g., when DHS has a need to monitor certain purchases, etc.), DHS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. DHS reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor purchase that DHS determines to be unnecessary in carrying out performance under this agreement.

f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this agreement. The State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Contractor and/or subcontractor at any time.

g. For all purchases, the Contractor and/or subcontractor must maintain copies of all paid vendor invoices, documents, bids and other information used in vendor selection, for inspection or audit. Justifications supporting the absence of bidding (i.e., sole source purchases) shall also be maintained on file by the Contractor and/or subcontractor for inspection or audit.

h. DHS may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 2 by giving the Contractor no less than 30 calendar days written notice.
3. **Equipment Ownership / Inventory / Disposition**

(Applicable to agreements in which equipment and/or miscellaneous property is furnished by DHS and/or when said items are purchased or reimbursed with state funds.)

a. Wherever the term equipment and/or miscellaneous property is used in Provision 3, the definitions in Provision 2, Paragraph a shall apply.

All equipment and/or miscellaneous property that are purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement and not fully consumed in performance of this agreement shall be considered state equipment and the property of DHS.

(1) DHS requires the reporting, tagging and annual inventorying of all equipment and/or miscellaneous property that is furnished by DHS or purchased/reimbursed with funds provided through this agreement.

Upon receipt of equipment and/or miscellaneous property, the Contractor shall report the receipt to the DHS program contract manager. To report the receipt of said items and to receive property tags, the Contractor shall use a form or format designated by DHS' Asset Management Unit. If the appropriate form (i.e., Contractor Equipment Purchased with DHS Funds) does not accompany this agreement, Contractor shall request a copy from the DHS program contract manager.

(2) If the Contractor enters into an agreement with a term of more than twelve months, the Contractor shall submit an annual inventory of state equipment and/or miscellaneous property to the DHS program contract manager using a form or format designated by DHS' Asset Management Unit. If an inventory report form (i.e., Inventory/Disposition of DHS-Funded Equipment) does not accompany this agreement, Contractor shall request a copy from the DHS program contract manager. Contractor shall:

(a) Include in the inventory report, equipment and/or miscellaneous property in the Contractor's possession and/or in the possession of a subcontractor (including independent consultants).

(b) Submit the inventory report to DHS according to the instructions appearing on the form or issued by the DHS program contract manager.

(c) Contact the DHS program contract manager to learn how to remove, trade-in, sell, transfer or survey off, from the inventory report, expired equipment and/or miscellaneous property that is no longer wanted, usable or has passed its life expectancy. Instructions will be supplied by DHS' Asset Management Unit.

b. Title to state equipment and/or miscellaneous property shall not be affected by its incorporation or attachment to any property not owned by the State.

C. Unless otherwise stipulated, DHS shall be under no obligation to pay the cost of restoration, or rehabilitation of the Contractor's and/or Subcontractor's facility which may be affected by the removal of any state equipment and/or miscellaneous property.

d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or miscellaneous property.

(1) In administering this provision, DHS may require the Contractor and/or Subcontractor to repair or replace, to DHS' satisfaction, any damaged, lost or stolen state equipment and/or miscellaneous property. In the event of state equipment and/or miscellaneous property theft, Contractor and/or Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Contractor shall promptly submit one copy of the theft report to the DHS program contract manager.
e. Unless otherwise stipulated by the program funding this agreement, equipment and/or miscellaneous property purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement, shall only be used for performance of this agreement or another DHS agreement.

f. Within sixty (60) calendar days prior to the termination or end of this agreement, the Contractor shall provide a final inventory report of equipment and/or miscellaneous property to the DHS program contract manager and shall, at that time, query DHS as to the requirements, including the manner and method, of returning state equipment and/or miscellaneous property to DHS. Final disposition of equipment and/or miscellaneous property shall be at DHS expense and according to DHS instructions. Equipment and/or miscellaneous property disposition instructions shall be issued by DHS immediately after receipt of the final inventory report. At the termination or conclusion of this agreement, DHS may at its discretion, authorize the continued use of state equipment and/or miscellaneous property for performance of work under a different DHS agreement.

g. Motor Vehicles

(Applicable only if motor vehicles are purchased/reimbursed with agreement funds or furnished by DHS under this agreement.)

(1) If motor vehicles are purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement, within thirty (30) calendar days prior to the termination or end of this agreement, the Contractor and/or Subcontractor shall return such vehicles to DHS and shall deliver all necessary documents of title or registration to enable the proper transfer of a marketable title to DHS.

(2) If motor vehicles are purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement, the State of California shall be the legal owner of said motor vehicles and the Contractor shall be the registered owner. The Contractor and/or a subcontractor may only use said vehicles for performance and under the terms of this agreement.

(3) The Contractor and/or Subcontractor agree that all operators of motor vehicles, purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement, shall hold a valid State of California driver's license. In the event that ten or more passengers are to be transported in any one vehicle, the operator shall also hold a State of California Class B driver's license.

(4) If any motor vehicle is purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement, the Contractor and/or Subcontractor, as applicable, shall provide, maintain, and certify that, at a minimum, the following type and amount of automobile liability insurance is in effect during the term of this agreement or any period of contract extension during which any vehicle remains in the Contractor's and/or Subcontractor's possession:

Automobile Liability Insurance

(a) The Contractor, by signing this agreement, hereby certifies that it possesses or will obtain automobile liability insurance in the amount of $1,000,000 per occurrence for bodily injury and property damage combined. Said insurance must be obtained and made effective upon the delivery date of any motor vehicle, purchased/reimbursed with agreement funds or furnished by DHS under the terms of this agreement, to the Contractor and/or Subcontractor.

(b) The Contractor and/or Subcontractor shall, as soon as practical, furnish a copy of the certificate of insurance to the DHS program contract manager.
c) The Contractor and/or Subcontractor agree that bodily injury and property damage liability insurance, as required herein, shall remain in effect at all times during the term of this agreement or until such time as the motor vehicle is returned to DHS.

d) The Contractor and/or Subcontractor agree to provide, at least thirty (30) days prior to the expiration date of said insurance coverage, a copy of a new certificate of insurance evidencing continued coverage, as indicated herein, for not less than the remainder of the term of this agreement, the term of any extension or continuation thereof, or for a period of not less than one (1) year.

(e) The Contractor and/or Subcontractor, if not a self-insured government and/or public entity, must provide evidence, that any required certificates of insurance contain the following provisions:

[1:] The insurer will not cancel the insured's coverage without giving thirty (30) calendar days prior written notice to the State (California Department of Health Services).

[2] The State of California, its officers, agents, employees, and servants are included as additional insureds, but only with respect to work performed for the State under this agreement and any extension or continuation of this agreement.

[3] The insurance carrier shall notify the State of California Department of Health Services, in writing, of the Contractor's failure to pay premiums; its cancellation of such policies; or any other substantial change, including, but not limited to, the status, coverage, or scope of the required insurance. Such notices shall contain a reference to the agreement number for which the insurance was obtained.

(f) The Contractor and/or Subcontractor is hereby advised that copies of certificates of insurance may be subject to review and approval by the Department of General Services (DGS) Office of Risk and Insurance Management. The Contractor shall be notified by DHS, in writing, if this provision is applicable to this agreement. If DGS approval of the certificate of insurance is required, the Contractor agrees that no work or services shall be performed prior to obtaining said approval.

(g) In the event the Contractor and/or Subcontractor fails to keep insurance coverage, as required herein, in effect at all times during vehicle possession, DHS may, in addition to any other remedies it may have, terminate this agreement upon the occurrence of such event.

4. Subcontract Requirements

a. Ownership

(1) Except where DHS has agreed in a signed writing to accept a license, DHS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement.

(2) For the purposes of this agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or hereafter come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

(a) For the purposes of the definition of Intellectual Property, “works” means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.

(3) In the performance of this agreement, Contractor will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this agreement. In addition, under this agreement, Contractor may access and utilize certain of DHS’ Intellectual Property in existence prior to the effective date of this agreement. Except as otherwise set forth herein, Contractor shall not use any of DHS’ Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHS. Except as otherwise set forth herein, neither the Contractor nor DHS shall give any ownership interest in or rights to its Intellectual Property to the other Party. If during the term of this agreement, Contractor accesses any third-party Intellectual Property that is licensed to DHS, Contractor agrees to abide by all license and confidentiality restrictions applicable to DHS in the third-party’s license agreement.

(4) Contractor agrees to cooperate with DHS in establishing or maintaining DHS’ exclusive rights in the Intellectual Property, and in assuring DHS’ sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this agreement, Contractor shall require the terms of the agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Contractor or DHS and which result directly or indirectly from this agreement or any subcontract.

(5) Contractor further agrees to assist and cooperate with DHS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHS’ Intellectual Property rights and interests.
b. Retained Rights / License Rights

(1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this agreement. Contractor hereby grants to DHS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this agreement, unless Contractor assigns all rights, title and interest in the Intellectual Property as set forth herein.

(2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

(1) Contractor agrees that for purposes of copyright law, all works [as defined in Section a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this agreement shall be deemed "works made for hire". Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHS to any work product made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement.

(2) All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement, shall include DHS' notice of copyright, which shall read in 3mm or larger typeface: "© 2001, State of California, Department of Health Services. This material may not be reproduced or disseminated without prior written permission from the Department of Health Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

With respect to inventions made by Contractor in the performance of this agreement, which did not result from research and development specifically included in the agreement's scope of work, Contractor hereby grants to DHS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the agreement's scope of work, then Contractor agrees to assign to DHS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHS in securing United States and foreign patents with respect thereto.
California Department of Health Services - Special Terms and Conditions

e. Third-party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining DHS’ prior written approval; and (ii) granting to or obtaining for DHS, without additional compensation, a license, as described in Section b of this provision, for any of Contractor’s or third-party’s Intellectual Property in existence prior to the effective date of this agreement. If such a license upon the these terms is unattainable, and DHS determines that the Intellectual Property should be included in or is required for Contractor’s performance of this agreement, Contractor shall obtain a license under terms acceptable to DHS.

f. Warranties

(1) Contractor represents and warrants that:

(a) It is free to enter into and fully perform this agreement.

(b) It has secured and will secure all rights and licenses necessary for its performance of this agreement.

(c) Neither Contractor's performance of this agreement, nor the exercise by either Party of the rights granted in this agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHS and which result directly or indirectly from this agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.

(d) Neither Contractor’s performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.

(e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown,

(f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHS in this agreement.

(g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

(h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor’s performance of this agreement.

(2) DHS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.
g. intellectual Property Indemnity

(1) Contractor shall indemnify, defend and hold harmless DHS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by, Contractor or DHS and which result directly or indirectly from this agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this agreement. DHS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHS.

(2) Should any Intellectual Property licensed by the Contractor to DHS under this agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHS' right to use the licensed Intellectual Property in accordance with this agreement at no expense to DHS. DHS shall have the right to monitor and appear through its own counsel (at Contractor’s expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHS shall be entitled to a refund of all monies paid under this agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

(3) Contractor agrees that damages alone would be inadequate to compensate DHS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHS would suffer irreparable harm in the event of such breach and agrees DHS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, DHS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this agreement or any project schedule.
9. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior DHS approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

10. Confidentiality of Information

a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this agreement or persons whose names or identifying information become available or are disclosed to the Contractor, his/her employees, agents, or subcontractors as a result of services performed under this agreement, except for statistical information not identifying any such person.

b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this agreement.

c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the DHS program contract manager all requests for disclosure of such identifying information not emanating from the client or person.

d. The Contractor shall not disclose, except as otherwise specifically permitted by this agreement or authorized by the client, any such identifying information to anyone other than DHS without prior written authorization from the DHS program contract manager.

e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.

(Applicable to agreements over $5,000 under which publications, written reports and documents are developed or produced. Government Code Section 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contract communications) prepared as a requirement of this agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds $5,000.

12. Dispute Resolution Process

a. A Contractor grievance exists whenever the Contract believes there is a dispute arising from DHS' action in the administration of an agreement. If the Contractor believes there is a dispute or grievance between the Contractor and DHS, both parties shall follow the procedure outlined below.

1. The Contractor should first discuss the problem informally with the DHS program contract manager. If the problem cannot be resolved at this stage, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall make a determination on the problem within ten (10) working days after receipt of the written communication from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons...
therefore. Should the Contractor disagree with the Branch Chief's decision, the Contractor may appeal to the second level.

(2) The Contractor must prepare a letter indicating the reasons for disagreement with Branch Chiefs decision. The Contractor shall include with the letter a copy of the Contractor's original statement of dispute with any supporting documents and a copy of the Branch Chief's response. This letter shall be sent to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division funding this agreement or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division funding this agreement or his/her designee shall be returned to the Contractor within twenty (20) working days of receipt of the Contractor's letter.

b. If the Contractor wishes to appeal the decision of the Deputy Director of the division funding this agreement or his/her designee, the Contractor shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Subchapter 2.5, commencing with Section 251, California Code of Regulations.)

c. Disputes arising out of an audit, examination of an agreement or other action not covered by subdivision (a) of Section 20204, of Chapter 2.1, Title 22, of the California Code of Regulations, and for which no procedures for appeal are provided in statute, regulation or the agreement, shall be handled in accordance with the procedures identified in Sections 51016 through 51047, Title 22, California Code of Regulations.

d. Unless otherwise stipulated by DHS, dispute, grievance and/or appeal correspondence shall be directed to the DHS program contract manager.

13. Financial and Compliance Audit Requirements

a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.

b. Direct service contract means a contract for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code section 38020). Direct service contracts shall not include contracts, grants, or subventions to other governmental agencies or units of government nor contracts with regional centers or area agencies on aging (See H&S Code section 38030).

c. The Contractor, as indicated below, agrees to obtain one of the following audits:

(1) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives $25,000 or more from any State agency under a direct service contract; the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. or

(2) If the Contractor is a nonprofit Organization (as defined in H&S Code section 38040) and receives less than $25,000 per year from any State agency under a direct service contract, the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. or

(3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends $300,000 or more in Federal awards, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled "Audits of States, Local Governments, and Non-Profit Organizations". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The requirements of this provision apply if:
(a) The Contractor is a recipient expending Federal awards received directly from Federal
awarding agencies, or

(b) The Contractor is a subrecipient expending Federal awards received from a pass-through
entity such as the State, County or community based organization.

d. The audit shall be completed by the 15th day of the fifth month following the end of the
Contractor’s fiscal year. Two copies of the audit report shall be delivered to the DHS program
funding this agreement. The audit report must identify the Contractor’s legal name and the
number assigned to this agreement. The report shall be due within 30 days after the completion
of the audit. Upon receipt of said audit report, the DHS program contract manager shall forward
the audit report to DHS’ Audits and Investigations Unit.

e. The cost of the audits described herein may be included in the funding for this agreement up to
the proportionate amount this agreement represents of the Contractor’s total revenue. The DHS
program funding this agreement must provide advance written approval of the specific amount
allowed for said audit expenses.

f. The State or its authorized designee, including the Bureau of State Audits, is responsible for
conducting agreement performance audits which are not financial and compliance audits.
Performance audits are defined by Generally Accepted Government Auditing Standards.

g. Nothing in this agreement limits the State’s responsibility or authority to enforce State law or
regulations, procedures, or reporting requirements arising thereto.

h. Nothing in this provision limits the authority of the State to make audits of this contract, provided
however, that if independent audits arranged for by the Contractor meet Generally Accepted
Governmental Auditing Standards, the State shall rely on those audits and any additional audit
work and shall build upon the work already done.

i. The State may, at its option, direct its own auditors to perform either of the audits described
above. The Contractor will be given advance written notification, if the State chooses to exercise
its option to perform said audits.

14. Novation Requirements

If the Contractor proposes any novation agreement, DHS shall act upon the proposal within 60 days
after receipt of the written proposal. DHS may review and consider the proposal, consult and
negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection
of the proposal may be made orally within the 60-day period and confirmed in writing within five days
of said decision. Upon written acceptance of the proposal, DHS will initiate an amendment to this
agreement to formally implement the approved proposal.

15. Payment Withholds

(Applicable only if a final report is required by this agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this agreement, DHS may, at its discretion, withhold 10
percent (10%) of the face amount of the contract, 50 percent (50%) of the final invoice, or $3,000
whichever is greater, until DHS receives a final report that meets the terms, conditions and/or scope of
work requirements of this agreement.

16. Performance Evaluation

(Not applicable to grant agreements.)

DHS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this
agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain
17. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this agreement if made with a corporation for its general benefits.

18. Year 2000 Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to DHS or if IT equipment is procured.)

The Contractor warrants and represents that the goods or services sold, leased, or licensed to the State of California, its agencies, or its political subdivisions, pursuant to this agreement are “Year 2000 Compliant.” For the purposes of this agreement, a good or services is Year 2000 compliant if it will continue to fully function before, at, and after the Year 2000 without interruption and, if applicable, with full ability to accurately and unambiguously process, display, compare, calculate, manipulate, and otherwise utilize date information. This warranty and representation supersedes all warranty disclaimers and limitations and all limitations on liability provided by or through the Contractor.

19. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

20. University of California Mutual Indemnification

(Applicable only to agreements entered with the Regents of the University of California or a University of California campus under its jurisdiction.)

a. The State and the Regents of the University of California shall mutually defend, indemnify and hold each other and their respective agencies, officers, employees, and agents harmless from and against any and all liability, loss, expense, attorneys' fees, or claims for injury or damages arising out of the performance of this contract but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of either the State or the Regents of the University of California.

b. It should be expressly understood that the obligations hereunder shall be conditioned upon this contract being one that falls within the purview of Section 895 of the Government Code.

21. Union Organizing

(Applicable only to grant agreements.)

Grantee, by signing this agreement, hereby acknowledges the applicability of Government Code 16645 through 16649 to this agreement. Furthermore, Grantee, by signing this agreement, hereby certifies that:

a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.

b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
c. Grantee shall, where state funds are not designated as described in 2 above, allocate, on a pro-rata basis, all disbursements that support the grant program.

d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

22. Contract Uniformity (Fringe Benefit Allowability)

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.

b. As used herein, fringe benefits do not include:

   (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.

   (2) Director's and executive committee member's fees.

   (3) Incentive awards and/or bonus incentive pay.

   (4) Allowances for off-site pay.

   (5) Location allowances.

   (6) Hardship pay.

   (7) Cost-of-living differentials

c. Specific allowable fringe benefits include:

   (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.

d. To be an allowable fringe benefit, the cost must meet the following criteria:

   (1) Be necessary and reasonable for the performance of the agreement.

   (2) Be determined in accordance with generally accepted accounting principles.

   (3) Be consistent with policies that apply uniformly to all activities of the Contractor.

e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

   (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.

   (2) For multiple year contracts, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the agreement. Holidays cannot be carried over from one contract year to the next. See f Provision (3)(b) for an example.
(3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a contract period of one year. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of the agreement, the Contractor during a one-year agreement term may only claim up to three weeks of vacation and twelve days of sick leave actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.
1. **Contract Amendments**

   Should either party, during the term of this agreement, desire a change or amendment to the terms of this Agreement, such changes or amendments shall be proposed in writing to the other party, who will respond in writing as to whether the proposed changes/amendments are accepted or rejected. If accepted and after negotiations are concluded, the agreed upon changes shall be made through the State’s official agreement amendment process. **No** amendment will be considered binding on either party until it is formally approved by the State.

2. **Cancellation / Termination**

   A. This agreement may be cancelled by DHS **without cause** upon 30 calendar days advance written notice to the contractor.

   B. DHS reserves the right to cancel or terminate this agreement immediately **for cause**. The Contractor may submit a written request to terminate this agreement only if DHS substantially fails to perform its responsibilities as provided herein.

   C. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of this agreement.

   D. Agreement termination or cancellation shall be effective as of the date indicated in DHS’ notification to the Contractor. The notice shall stipulate any final performance, invoicing or payment requirements.

   E. Upon receipt of a notice of termination or cancellation, the Contractor shall take immediate steps to stop performance and to cancel or reduce subsequent agreement costs.

   F. In the event of early termination or cancellation, the Contractor shall be entitled to compensation for services performed satisfactorily under this agreement and expenses incurred up to the date of cancellation and any non-cancelable obligations incurred in support of this agreement.

3. **Avoidance of Conflicts of Interest by Contractor**

   A. The Contractor agrees that all reasonable efforts will be made to ensure that no conflict of interest exists between its officers, agents, employees, consultants or members of its governing body.

   B. The Contractor shall prevent its officers, agents, employees, consultants or members of its governing body from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others such as those with whom they have family, business or other ties.

   C. In the event that DHS determines that a conflict of interest situation exists, any cost associated with the conflict may constitute grounds for termination of this agreement. This provision shall not be construed to prohibit the employment of persons with whom the Contractor’s officers, agents, or employees have family, business or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant and such persons have successfully competed for employment with other applicants on a merit basis.

4. **Quarterly Progress Reports and Final Report**

   A Quarterly Progress Report must be submitted with each Quarterly Invoice. Please see Exhibit E, Attachment I for a sample format of the Quarterly Progress Report. Include copies of all Risk Assessment Forms prepared by program participants with each Quarterly Progress Report. A narrative Final Report will also be required at the end of the program period, no later than April 30, 2003.

**HAS 1203 (10/01)**
INSTRUCTIONS FOR HAS 1203
(Please read carefully.)

The information on this form will be used by the Department of Health Services (DHS) Asset Management Unit to track Contractor equipment and miscellaneous property which is purchased with DHS funds and is used to conduct state business under this contract. After the Standard Agreement has been approved and each time DHS equipment and/or miscellaneous property has been received, the DHS Program Contract Manager is responsible for obtaining the information from the Contractor and submitting this form to the DHS Asset Management Unit. The DHS Program Contract Manager is responsible for ensuring that the information is complete and accurate. (See “Special Terms and Conditions” and Health Administrative Manual, Section 2-1000 et seq.)

Upon receipt of this form from the DHS Program Contract Manager, the DHS Asset Management Unit will fill in the assigned state/DHS property tag number, if applicable, for each item. Asset Management will return the original form to the DHS Program Contract Manager, along with the appropriate property tags. The DHS Program Contract Manager will then forward the property tags to the Contractor. The Contractor should place property tags in plain sight and, to the extent possible, on the item’s front, left-hand corner. The manufacturer’s brand name and model number are not to be covered by the property tags.

1. If the item was shipped via the DHS warehouse and was issued a property tag by warehouse staff, fill in the tag number. If the item was shipped directly to the Contractor, leave the first column blank.

2. Provide the quantity, description, serial number, and base unit cost for each item of:

   A. Major Equipment:
      - Tangible item having a base unit cost of $5,000 or more and a life expectancy of one (1) year or more.
      - Intangible item having a base unit cost of $5,000 or more and a life expectancy of one (1) year or more (e.g., software, video).

      These items are issued green numbered state/DHS property tags.

   B. Minor Equipment: Tangible item having a base unit cost less than $5,000, with a life expectancy of one (1) year or more, and listed on DHS Asset Management Unit’s Minor Equipment List. (A Minor Equipment List can be obtained by calling the DHS Asset Management Unit at the telephone number in number 6 below.) These items are issued green numbered state/DHS property tags.

   C. Miscellaneous Property: Specific tangible items with a life expectancy of one (1) year or more that are purchased with DHS funds (furniture, cabinets, typewriters, desktop calculators, portable dictators, nondigital cameras). These items are issued a green, unnumbered state/DHS property tag. NOTE: It is DHS policy not to tag modular furniture.

3. Provide the DHS Purchase Order (STD. 65) number if the items were purchased by DHS. For all items, provide the date of purchase.

4. If a vehicle is being reported, provide the Vehicle Identification Number (VIN) and the vehicle license number.

5. If all items being reported do not fit on one form, make copies and write the number of pages being sent in the upper right-hand corner (e.g., “Page 1 of 3”). The DHS Program Contract Manager should retain one copy and send the original to: Department of Health Services, P.O. Box 942732, 1800 Third Street, Room 455, Sacramento, CA 94234-7320.

6. Property tags that have been lost or destroyed must be replaced and can be obtained by contacting the DHS Asset Management Unit at (916) 323-4524.
