ARTICLE 1 MEMORANDUM OF UNDERSTANDING – INTRODUCTION

This is a Memorandum of Understanding between the Management negotiating Team for the County of Santa Cruz and the Operating Engineers, Local 3 Negotiating Team. Both parties agree that this Memorandum is a result of meeting and conferring in good faith under the terms of State and County regulations. This Memorandum of Understanding contains the complete results of negotiations between the County of Santa Cruz and the Operating Engineers, Local 3 for County Employees in the Law Enforcement Representation Unit for the period beginning July 1, 2009 through June 30, 2014.

Unless otherwise specified herein, all provisions shall become effective following adoption by the Board of Supervisors.

ARTICLE 2 RECOGNITION

The County of Santa Cruz recognizes the Operating Engineers, Local 3, (hereinafter referred to as "Union") as the exclusive bargaining representative for all employees in "permanent" (i.e., budgeted) positions within the Law Enforcement Representation Unit.

ARTICLE 3 PEACEFUL PERFORMANCE OF COUNTY SERVICES

The Union, its agents and employees it represents, agree that there shall be no strike, work stoppage, or any other concerted interference with operations, or any picketing, or any refusal to enter upon the County's premises or work site during the term of this Memorandum of Understanding.

Any employee who participates in any of such prohibited activities shall be subject to discharge or such lesser discipline as the County shall determine; provided, however, that the employee shall have recourse to the Civil Service Commission as to the sole question of whether he/she in fact participated in such prohibited activity. If the Union, its staff or Board of Directors engage in, cause, instigate, encourage, condone, or ratify any strike, work stoppage, concerted interference with operations, picketing or refusal by employees to enter upon the County's premises or work site, the County may immediately suspend or revoke the payroll deductions provided; however, the Union shall have recourse to the Civil Service Commission as to the sole question of whether the Union, or its staff or Board of Directors engaged in such prohibited activity. The inclusion of this Article in the Memorandum of Understanding shall in no way be deemed to preclude or stop the County or the Union from seeking any form of legal or equitable relief to which it may be entitled during the term of the Memorandum of Understanding or at any other time.

ARTICLE 4 COMPLIANCE WITH MEMORANDUM

In the event of any violation of the terms of this Memorandum, responsible and authorized Representatives of the Union or the Employer, or any individual department head as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such persons into compliance with the terms of this Memorandum. Individuals acting or conducting themselves in violation of the terms of this Memorandum shall be subject to discipline, up to and including discharge. The employer shall enforce the terms of this Memorandum on the part of its supervisory personnel; the Union shall enforce the terms of this Memorandum on the part of its members.

ARTICLE 5 EQUAL EMPLOYMENT OPPORTUNITY

The County and the Union agree that no person employed or applying for employment shall be discriminated against on the basis of race, color, religion, disability, medical condition (cancer related or genetic characteristics), national origin, ancestry, marital status, sex, sexual orientation, creed, age (over 18), pregnancy, gender, veteran's status, or any other non-merit factor except where sex or physical capability is determined to be a bona fide occupational qualification after consideration of reasonable accommodation factors in relation to the essential functions of the position. The parties also

agree to support efforts intended to achieve equal employment opportunity as provided for in Federal, State and County requirements.

ARTICLE 6 SAFETY

It is the duty of the County to make reasonable efforts to provide and maintain a safe place of employment. The Operating Engineers, Local 3, will cooperate in urging all employees to perform their work in a safe manner. It is the duty of all employees to be alert to unsafe practices, equipment, and conditions and to report any such unsafe practices, equipment, or conditions to their immediate supervisor. If such condition cannot be satisfactorily remedied by the immediate supervisor, the employee may submit the matter in writing to the Departmental Safety Officer. If the employee does not receive a response within a reasonable period of time, or finds the response unsatisfactory, he/she may directly contact the County Safety Officer. The Sheriff-Coroner shall designate a Departmental Safety Officer to receive, review and make recommendations on all reported unsafe working conditions. A failure by the County to follow the process specified above in this Article (6) is grievable. Substantive matters are not grievable.

ARTICLE 7 SHERIFF'S VEHICLES - SAFETY INSPECTION

The Departmental Safety Officer shall be responsible for the safety inspection and field testing of County maintained vehicles at 50,000 miles and every 15,000 miles thereafter. Inadequate or unsafe running gear will be replaced or repaired. Vehicles that are unsafe and cannot be restored to safe condition will be removed from service. The Union's safety specialist may examine patrol and prisoner transportation vehicles when three written reports of a specific safety hazard have not been corrected. The Union's safety specialist may recommend improvements to eliminate the safety hazard to the Director of General Services.

ARTICLE 8 PRODUCTIVITY

The parties to this agreement support the concept of high performance and high productivity in order to provide a high level of service to the community at reasonable cost. The parties agree to reasonably support changes initiated by Management which are intended to increase the efficiency or effectiveness of County operations.

ARTICLE 9 ROTATION AND REASSIGNMENT EXPECTED AND NORMAL

It is understood and agreed that public safety officers covered by this Memorandum are expected to rotate among shifts and are subject to periodic reassignment among functions and geographic areas as a normal part of their work and that such changes are not punitive even though employees may lose (or gain) eligibility for compensation items (such as night shift differential or on-call pay) or benefit items (such as vacation accrual or holidays) in accordance with the provisions of this Memorandum as a result of such rotation or reassignment.

ARTICLE 10 EFFECTIVE DATE OF TRANSACTION

Personnel/payroll transactions not effective on the first day of a pay period shall have an effective date of the first day of the next pay period, unless an exception is approved by the Personnel Director and Auditor-Controller. Examples of such transactions include: transfers, promotions, demotions. Step increases which would be effective the first week of the pay period shall have an effective date of the first day of that pay period; step increases which would be effective the second week of the pay period shall have an effective date of the first day of the next pay period.

The following transactions are excluded from the provision of this article: leaves of absence without pay, return from leave of absence without pay; displacement; work in a higher class appointment; return from work in a higher class appointment.

ARTICLE 11 SCHEDULED HOURS

A. General

The authorized hours of a budgeted position constitute the normally scheduled hours of work for an employee in that position (e.g., 80 hours in a pay period are the normal schedule of work hours for an employee in a full-time position, and 40 hours in a pay period are the normal schedule of work hours for an employee in a half-time position). However, "normal" work hours shall not be construed to mean a guarantee of hours of work. Scheduled hours of work for an employee may be less than those authorized for the position occupied by that employee because of decreased workload, weather, closure of facilities, and other short-term conditions. The scheduled hours of work of an employee may be reduced on a continuing basis: (1) by mutual agreement between the employee and department, with the approval of the County Administrative Office; or (2) by Board of Supervisors action in accordance with Article 26. If an employee's scheduled work hours are reduced on a continuing basis, the authorized hours of the position should be reduced accordingly to avoid a negative impact on the employee.

1. Part-time Employees. Authorized hours worked by an employee in a budgeted, part-time position in excess of the scheduled hours of work of the position shall be compensated in cash at the employee's base hourly rate up to 80 hours in a two-week period. Such hours shall not be a factor or credit for purposes of step advancement, paid leave accrual or use, pay differentials, or seniority accrual. Such employees may, under authorization and eligibility requirements set forth for each leave type, use hours of paid leave up to the number of scheduled hours of work of the position in the pay period, except as provided in B, below, for employees on the 7 day/12 hour work schedule.
2. When the combination of hours worked and of paid leave of an employee exceed 40 in a pay period, the employee shall receive "straight time overtime" in cash at the employee's base hourly rate for such excess hours; provided, however, that hours worked in excess of 40 shall be compensated at time and one-half in accordance with Article 15. Such employees may at the option of the department head, be granted compensatory time at the rate of one hour of compensatory time for each hour of straight time overtime" in lieu of compensation in cash. Such compensatory time shall be combined with and subject to the maximum accrual limit provided for in article 15, subsection D 2.

ARTICLE 12 PAY

A. Basic Pay Plan

The basic pay plan consists of the salary ranges and assignment of classes to such ranges provided for in the County salary resolution. Each employee shall be paid within the range for the class unless otherwise provided.

B. Equity Adjustments

The parties agree to the following equity adjustments:

The 2% equity adjustment scheduled for June 13, 2009 shall be deferred. Effective the pay period beginning June 25, 2011, a 2% equity will be applied to all classes in this Unit.

As consideration for the deferral and for the ongoing efforts to deal with recruitment and retention issues for the Law Enforcement Unit, equity adjustments in the form of additional salary steps at the top of the range shall be implemented in accordance with the following schedule:

1. Pay period beginning on January 7, 2012 – Add New Top Step of 5%
2. Pay period beginning on January 5, 2013 – Add New Top Step of 5%
3. Pay period beginning on January 4, 2014 – Add New Top Step of 5%
4. Pay period beginning on June 21, 2014 – Add New Top Step of 5%

Employees who have four (4) or more years of County service at the top step as of January 1, 2010 will be allowed to move to the new top step on June 30, 2014 upon its creation without serving the required 2080 hours to advance to the next step. Employees with less than 4 or more years of County service at the top step on January 1, 2010 will be required to complete 2080 hours prior to advancing to the final new top step.

The parties agree to meet and confer on or after July 1, 2013 for the purpose of considering whether to delete the bottom step in the salary range and the timing of such a change.

- C. The Law Enforcement Unit defers (“freezes”) all scheduled step increases for a period of one year beginning January 1, 2010 and concluding December 31, 2010. Effective January 1, 2011 (pay period beginning December 25, 2010), previously deferred step increases will be “unfrozen” and will be granted in accordance with each individual’s salary anniversary date. The one-year period of deferral shall not be counted towards determining scheduled step increases and/or step placement.

D. Requirements For Step Increases

Step advancements are predicated upon merit and length of service, and each part-time or full-time employee in a budgeted position may receive an increase at the completion of each number of hours of service, specified herein below, up to and including the maximum step in the employee’s salary range as set forth in the salary resolution of the County.

The steps of each salary range shall be interpreted and applied as follows:

- a. The first step in each schedule is the minimum rate and may be the hiring rate for the class.

- e. The fifth step may be paid at any time after 2080 hours of satisfactory or better service at the fourth step, as evidenced by a meets job standards, exceeds job standards or outstanding overall employee performance rating and upon recommendation of the appointing authority.
- f. The sixth step may be paid at any time after 2080 hours of satisfactory or better service at the fifth step as evidenced by a meets job standards, exceeds job standards, or outstanding overall employee performance rating and upon the recommendation of the appointing authority.
- g. The seventh step may be paid at any time after 2080 hours of satisfactory or better service at the sixth step as evidenced by a meets job standards, exceeds job standards or outstanding overall employee performance rating and upon the recommendation of the appointing authority.

E. Hours of Service for Purposes of Step Advancement

- a. Defined. Paid hours of work and paid leave hours accrued by an employee within the number of authorized hours for the position occupied by the employee shall constitute hours of service. Hours worked in excess of the number of hours authorized for the position, whether overtime or otherwise, shall not be included in hours of service. Exceptions. Military leave and time off due to an occupational injury with the County shall be considered hours of service for purposes of step advancement.
- b. Beginning Date. Hours of service for purposes of step increases accrue by class, beginning from the most recent date of appointment.

F. Step Placement and Step Advancement Upon Appointment to Equal Class.

- a. Definition. An equal class is one in which the fifth step hourly rate of the range for the new class is the same as for the current class.
- b. Step Placement. Upon appointment to an equal class, the employee shall retain the same step.
- c. Step Advancement. Upon appointment to an equal class, hours of service accrued in the former class for purposes of step advancement shall apply to the new class.
- d. Application. This provision shall apply to all appointments to an equal class, including: transfer, displacement to an equal class, provisional transfer, return from provisional transfer, lateral reclassification, and reappointment to a former class which has a fifth step hourly rate which is the same.

G. Step Placement and Step Advancement Upon Appointment to Higher Class.

- a. Definition. A higher class is one in which the fifth step hourly rate of the range for the new class is greater than the fifth step hourly rate of the range for the current class.
- b. Application. This provision shall apply to all types of appointment to a higher class, except a reappointment from displacement, and shall include: promotion including promotion through upward reclassification or through alternate staffing), appointment to a former higher class and a "work in a higher class" appointment.
- c. Step Placement. The salary of employees who are appointed to a higher class shall be adjusted to the step for the new class closest to but higher than their old salary, provided, however, that such increases shall be equivalent to an increase of at least 5% within the limits of the new salary range.
- d. Step Advancement. The beginning date for purposes of accrual of hours of service for step advancement shall be the most recent date of appointment to the higher class.

H. Step Placement and Step Advancement Upon Appointment to Lower Class or Downward Reclassification.

- a. Definition. A lower class is one in which the fifth step hourly rate of the range for the new class is less than the fifth step hourly rate of the range for the current class.
- b. Appointment to a Lower Class Other than Downward Reclassification.
 - i. Application. The provisions of paragraphs (b) and (c) below shall apply to all types of appointment to a lower class, except a Y-rate, including: demotion, appointment to a former class, displacement to a lower class, return from provisional promotion, and return from work in a higher class.
 - ii. To class of previous service. If the employee had previously served in the lower class to which appointed, such employee shall have all time served in the higher class count as continuous service in the lower class for purposes of step placement and advancement.
 - iii. To class with NO previous service. Upon appointment to a lower class, the employee's salary shall be adjusted to the same salary range of the new salary range that he/she was receiving in the salary range of the higher class and the employee shall receive credit for hours of service accrued in the step in the higher class for purposes of determining step advancement in the lower class.
- c. Downward Reclassification.
 - i. Overfill Status. When an occupied regular or limited term position is reclassified downward, the probationary or permanent incumbent may retain the salary of their former class by being placed in an overfill status for a period not to exceed five years from the effective date of reclassification. The provision of overfill status is a protection device which is intended to reduce the impact of downward reclassification upon compensation and class seniority. While in and overfill status, the incumbent employee shall be eligible for step advancement, general salary adjustments and accrue seniority which would apply to the former class. All other benefits and rights of employee representation which are associated with the former class shall also apply to the incumbent employee while in the overfill status.

Overfill provisions of the County shall be terminated at such time as the equivalent step within the salary range for the new class rises to meet or exceed the equivalent step in the salary range of the former class. In such event, the reclassified employee's salary shall be adjusted on an equivalent step basis (i.e., 2nd step to 2nd step) within the salary range for the new class and no further application of the overfill or Y-rate protection provisions shall apply.

During the overfill period, the employee's name shall be certified to vacant positions in the former class:

1. In the same department in order of seniority; and
2. Other departments.

An employee who is overfilling shall be demoted to the new class upon:

- a. Refusal of one offer of employment in the former class in the same department; or;
- b. Refusal of three offers of employment in the former class in other departments; or;

- c. At the termination of a five year overfill period, whichever of the foregoing occurs first.

Upon such demotion the employee shall be placed at the step of the lower salary range which has the rate which is closest to, but not less than, their salary in the overfill class. In the event that the employees salary in the overfill class is above the maximum salary rate for the lower class the employee shall be Y-rated.

- ii. Y-Rate. An employee who is placed on Y-rate shall retain their current salary rate in the former class for a period of two years or until any step within the salary range for the new class rises to meet or exceed the frozen salary rate, whichever occurs first. The frozen salary rate shall be designated as a Y-rate. All other benefits and rights of employee representation which are associated with the new class to which reclassified shall apply to the incumbent employee while in the Y-rate status. Where the salary rate for any step within the range for the new class rises to meet or exceed the Y-rate salary, the employees salary shall be adjusted to that step within the range which is closest to but not less than the Y-rate salary. If at the expiration of the two year Y-rate period the employee's salary rate is higher than the maximum established for the lower class, the employee's salary rate shall be adjusted to the maximum for the lower class.
- I. Performance Evaluation for Step Advancement. Failure of an employee's supervisor to present the employee with a performance evaluation within 30 calendar days of the due date, unless an extension is mutually agreed upon, shall result in a satisfactory evaluation of the employee as of the due date, and shall be considered to be a recommendation of step advancement effective on the due date by the appointing authority.

ARTICLE 13 RETIREMENT

A. Employee P.E.R.S. Retirement Contributions

Effective August 8, 1998, employees in this unit commenced paying the PERS employee contribution, and the County no longer paid the employee's PERS contribution. In consideration for this change, the parties agreed to a cost neutral one-time salary adjustment August 8, 1998, in lieu of the County paying the PERS employee contribution.

- B. The County provides the 3% at age 50 P.E.R.S. retirement plan for all local sheriff safety members of this representation unit. The County provides the 2% at age 55 P.E.R.S. retirement plan for all miscellaneous members of this representation unit, e.g. Sheriff Security Officer and Deputy Sheriff Trainee.
- C. The P.E.R.S. 1959 survivors benefit has been increased to the third level as provided in Government Code Section 21382.4.
- D. Implementation of IRC Section 414(h)(2)

Effective August 8, 1998, pursuant to Section 414(h)(2), the County designated the amount that the employee is required to pay for PERS retirement benefits (9.0%) as being "picked-up" by the County and treated as employer contributions for tax purposes only. By having the County use this process, employees receive a form of deferred taxation in that taxes are paid on the funds at the time the retirement benefit is received rather than at the time the retirement

contributions are made. Under current law, exercising the employer pick-up option pursuant to IRC Section 414(h)(2) results in no additional costs to the County. The parties agree that, in the event that the law changes such that costs are imposed on the County for exercising the employer pick-up option under IRC Section 414(h)(2), the County shall immediately cease designating the employee contributions as being "picked-up" by the County and such PERS contributions shall revert to being made on a post-tax basis.

- E. The County provides the single highest year option under the P.E.R.S. retirement plan for safety and non-safety members in this representation unit.

1. Deductions: For an employee appointed to a budgeted position, employee payroll deductions for coverage begin the first day of the first full pay period of employment for the Operating Engineers Health Plan. Deductions for coverage in the PERS medical plan begin the first pay period of employment. Employee payroll deductions for coverage cease in the pay period in which the employee separates for any reason from a budgeted position.
2. Coverage: Coverage begins the first day of the first full pay period after enrollment for the Operating Engineers medical plan, and dental, vision, and life insurance plans; coverage ceases at the end of the pay period in which the employee separates employment. 14.6 CONTINUATION OF INSURANCES DURING LEAVE OF ABSENCE WITHOUT PAY

- A. As used herein (Article 14.6), payment "in advance" means the last working day of the pay period in which the payment is due. If the last day of the pay period is a holiday, payment must be received by the Employee Insurance/Benefit Section in the County Personnel Department by 5:00 p.m. on the day preceding the holiday.

Employees granted leave of absence without pay of one full pay period or longer must notify the Employee Insurances/Benefits Division of the County Personnel Department and make arrangements for payment of insurances in advance.

An employee who is on a leave of absence without pay must pay in advance for any insurance coverage during the leave of absence of one full pay period or longer. The only exception to advance payment is in the case of an emergency beyond the control of the employee and where payment shall be made at the earliest possible time after the leave commences.

If the employee does not pay for insurance coverage during the leave of absence, he/she is treated like a new employee in terms of when coverage begins for each type of insurance. Should employees and/or their dependents not be covered during a leave of absence without pay, they will be treated as initial enrollees for dental insurance for purposes of qualification period and benefits, including deductions and co-payments, upon return of the employee to active employment.

- B. When an employee is on a leave of absence without pay for any reason, and is not receiving benefits through the Long Term Disability (LTD) Plan, coverage under employee insurance (e.g., health, life, dental, long-term disability) cease for the employee and any dependents the beginning of the first full pay period of leave of absence without pay, except as provided in 1 and 2, immediately below.

1. Family Care or Medical Leave ("FMLA Leave"). The County shall, as required by Federal or State law, make the same contributions for employee insurances for eligible employees on an approved FMLA leave of absence without pay as if the employee were working or on paid leave. The employee shall be responsible for payment in advance of his/her portion of premium contributions for insurances during such leave of absence without pay. Failure by the employee to make required payments in advance shall result in the employee and any dependents losing coverage under employee insurances. Should the period of leave of absence without pay extend beyond the duration of the approved FMLA leave for which the employee is entitled, payment for continued employee insurance coverage shall be as specified elsewhere in this Section (14.6).
2. Continuation of Employee Coverage While Receiving LTD Benefits (other than FMLA leave). The County's contribution towards employee's dental coverage, life insurance coverage and LTD coverage shall continue during the period a current employee receives benefits through the LTD plan, while on a leave of absence without pay. An employee may be required to pay for his/ her own coverage in advance and be reimbursed when confirmation is received that he/she is receiving LTD Benefits, provided that the employee contacts the Employee Insurance/Benefits Division to apply for LTD provided, should the employee not receive LTD benefits, the employee must repay to the County all contributions for insurances during the leave of absence without pay. The County shall have the right to recover its contributions towards the employee's coverage through attachment of wages, including payoff upon separation, civil action, or other actions.

- C. Liability of Employee for Ineligible Dependents. Employees shall be liable for payment for all services received by ineligible dependents and for any contributions made on the dependent's behalf by the County. It is the responsibility of each employee to notify the Employee Insurances/Benefits Division of the County Personnel Department upon any enrolled dependent(s) becoming ineligible.

14.7 RETIREE HEALTH

Employees in this representation unit who retire through PERS, may enroll in a PERS medical plan or Operating Engineers Health & Welfare Trust Medical plan, as provided under the PEMHCA and PERS regulations.  - a. The employee files an application for monthly retirement benefits through PERS at the time of separation; and
 - b. The employee is at least 50 years of age at the time of separation; and
 - c. The employee must have completed at least 20,800 continuous hours of regular service with the County at the time of separation. (Reappointment following layoff shall not constitute a break in continuous service.)

 - b. Upon eligibility of the retired employee for Medicare; or
 - c. Upon employment with another employer with whom the retired employee is eligible for health coverage.

- D. The Operating Engineer Health & Welfare Trust shall bill the County monthly, and shall remit any monies collected for ineligible persons.
- E. Retired employees and/or their dependents who elect health coverage under COBRA or its amendments shall not be eligible for coverage in the Operating Engineers sponsored health plan under the provisions of this Section (14.7).
- F. Healthcare/Benefits Cost Containment Committee.

A joint Union-Management Committee with equal representation of management and Union members will meet and further develop measures for reducing County costs (without shifting such costs to workers or reducing the level of benefits or quality of care). The committee will be responsible for exploring alternative health plans, including health plan options, retiree health, retiree health vesting schedules, GASB 45 and other post employment benefits for retirees, disability plans and dental changes or any other related topics on an as needed basis.

D. Special Mandatory Overtime Provision

During standard operating periods where the Sheriff has declared that mandatory overtime is in effect, all employees shall request vacation leave in increments of ten hours and representing sufficient time off to avoid reaching the vacation accrual cap, at least thirty (30) calendar days in advance. Management shall make reasonable efforts to accommodate requests submitted. Management may also require the employee to take leave at a time acceptable to the Department. If an employee who is approaching the maximum vacation accrual and whose vacation request is sufficient to avoid reaching the maximum vacation accrual cap and has been denied by management, the employee shall receive compensation based on straight time for the hours accrued above the cap, not to exceed twenty (20) hours per one calendar year. This provision shall only apply during periods where the Sheriff has declared that mandatory overtime is in effect. Employees shall also have the responsibility to request vacation and take sufficient vacation leave to reduce their accrued vacation leave balances to levels which will permit further vacation accrual. Periods of civil disorder, natural disaster, and terrorist induced or accidental disaster, state and federally declared disasters, which invoke the provisions of the Sheriff's Office, recall policy 0.76, shall exempt the County from this provision.

- E. Vacation Payoff Upon Separation. D. Procedure

1. Informal Grievance

Any employee who believes that he or she has a grievance may discuss his/her complaint with the immediate supervisor in an attempt to resolve the matter before it becomes the basis for a formal grievance.

2. Formal Grievance

a. STEP 1

Within twenty (20) calendar days of occurrence of discovery of an alleged grievance, the grievance may be presented to the department head or designated representative. The grievance shall be submitted on a County of Santa Cruz Grievance Form and shall contain the following information:

- (1). The name of the grievant(s);
- (2). The specific nature of the grievance;
- (3). The date, time and place of occurrence;
- (4). Specific provision(s) of the Memorandum of Understanding or Section 160 of the County Procedures Manual alleged to have been violated;
- (5). Any steps that were taken to secure informal resolution;
- (6). The corrective action desired; and
- (7). The name of any person or representative chosen by the employee to enter the grievance.

The employee shall be allowed reasonable time to meet with a designated steward. A reasonable amount of time will be granted the employee and steward to handle the initial investigation and processing of the grievance. The steward may discuss the problem with employees immediately concerned and attempt to achieve settlement of the matter.

The department head or designated representative shall provide a written decision within twenty (20) days of receipt of the grievance.

b. STEP 2

If the grievant(s) is not satisfied with the first step decision, s/he may, within fourteen (14) calendar days after receipt of the decision, present a written appeal of the decision to the Personnel Director or designated representative. The Personnel Director or designated representative shall provide a written decision within fourteen (14) calendar days of receipt of the appeal.

c. STEP 3

The decision(s) of the Personnel Director may be appealed within seven (7) calendar days to a hearing officer. The written appeal shall be filed with the Personnel Director.

d. HEARING OFFICER

The hearing officer's compensation and expenses shall be borne equally by the grievant(s) and the County. Each party shall bear the costs of its own presentation, including the preparation and post hearing briefs, if any.

The County and the Union shall mutually agree upon or jointly select a panel of seven hearing officers from names provided by the State Conciliation Service. The County and the Union may mutually agree to use a hearing officer not on the list or to add to, or modify the list. Members of the panel shall be advised of and agree to the following:

- (1). Within ten (10) calendar days of receipt of the appeal at step 3, one hearing officer shall be selected by rotation from the panel. A hearing shall be scheduled within thirty (30) calendar days of receipt of the appeal.
- (2). Proceedings shall be recorded but not transcribed except at the request of either party to the hearing. The party requesting the transcripts shall bear the expense. Upon mutual agreement, the County and the grievant may submit briefs to the hearing officer in lieu of a hearing.
- (3). Except when briefs are submitted as specified in the preceding, it shall be the duty of the hearing officer to hear and consider evidence submitted by the parties and to thereafter make written findings of fact and recommend a disposition of the grievance to the County Administrative Officer within fifteen (15) calendar days of the conclusion of the hearing. The hearing officer shall have no power to recommend amendment to the Memorandum of Understanding, a resolution or minute order of the Board of Supervisors, ordinance, State law, or written rule.
- (4). The hearing officer's findings of fact and recommended disposition shall be forwarded to the County Administrative Officer and to the grievant. Within ten (10) calendar days of receipt, the County Administrative Officer shall make a decision on the grievance.
- (5). If any decision by the County Administrative Officer requires action of the Board of Supervisors before it can be placed in effect, the County Administrative Officer shall recommend to the Board of Supervisors that it implement the decision.

ARTICLE 25 GRIEVANCE REPRESENTATIVES

The Union agrees to notify the County of their Grievance Representatives. One Grievance Representative shall be allowed at each separate physical work location. If more than twenty-five employees are assigned to one physical work location one Grievance Representative shall be allowed for each twenty-five employees or fraction thereof. The Union may request additional Grievance Representatives where circumstances warrant such action. Department heads are authorized to grant such requests where circumstances warrant.

A Grievance Representative shall be authorized a reasonable amount of time off to evaluate alleged grievances and advise employee regarding the processing of an alleged grievance prior to submitting the grievance for processing. Grievance Representatives shall arrange with their immediate supervisor prior to using County time to assist in grievance processing.

ARTICLE 26 LAYOFF PROVISIONS

26.1 DEFINITIONS

Layoff: The involuntary separation of an employee because of lack of work, lack of funds, reorganization, in the interest of economy or other reasons determined by the Board of Supervisors to be in the best interest of County government.

26.2 PURPOSE OF LAYOFF PROVISION

To provide a prompt and orderly process for reduction in the County workforce when determined to be necessary by the Board of Supervisors for the County.

26.3 DECISION PROCESS

The Board of Supervisors shall determine the department in which the reduction is to be made and the number and classes of positions to be eliminated.

26.4 SCOPE OF APPLICATION

Layoff provisions shall apply only to the department in which a workforce reduction is to occur and to the classes designated for layoff, or affected by displacement, within that department.

The County Personnel Department shall provide affected employees with two (2) weeks written notice of layoff and/or displacement.

Layoff provisions shall not apply to a temporary layoff declared under the authority of the Board of Supervisors of less than four (4) cumulative weeks per fiscal year.

26.5 ORDER OF LAYOFF

Whenever it is necessary to layoff one or more employees in a department, the Personnel Director will prepare a list of the order of layoff in accordance with the following:

- A. Extra-help employees performing work within the affected class(es) shall be laid off first;
- B. A call for volunteers, in order of seniority (to be considered a layoff). Such employees may not displace (bump) to another class.
- C. Provisional employees in the affected class(es) shall be laid off next;
- D. Probationary employees working in the affected class(es) shall be laid off next;
- E. Permanent employees working in the affected class(es) who have received a substandard evaluation on their last two scheduled performance evaluations shall be laid off next in reverse order of seniority, as defined in 26.7 below; and
- F. Permanent employees shall be laid off last in reverse order of seniority as defined below in 26.7.

26.6 DISPLACEMENT (BUMPING) IN LIEU OF LAYOFF

Displacement is the movement in a layoff of an employee to an equal or lower class on the basis of seniority. (An employee cannot displace to a higher class.)

If an employee who is to be laid off had permanent status in an equal or lower class in the department in which layoff occurs, such employee shall be offered a vacant position in the equal or lower class in the department or he/she may displace an employee of that department having less seniority as defined in 26.7. Any employee thus displaced may in the same manner displace another employee. Should an employee have the right to displace in more than one class, he/she shall displace first in the highest class in which he/she has rights. Should an employee have the right to displace to two or more equal, lower classes, he/she shall displace first to the most recently occupied equal class.

26.7 SENIORITY FOR PURPOSES OF LAYOFF AND DISPLACEMENT

Seniority rights for purposes of layoff and displacement and involuntary reduction in authorized hours shall be available only to County employees in the Classified Service that have attained permanent status.

Seniority credits for purposes of layoff, displacement and involuntary reduction in authorized hours shall be determined by crediting one seniority point for each full 80 hours of authorized service in a class while in continuous County service.

- A. Authorized hours of service are the number of hours formally established for a position by the Board of Supervisors or County Administrative Officer action. Hours worked in excess of the number of hours authorized, whether overtime or otherwise, shall not be included in determination of seniority credit.
- B. Continuous County service is service uninterrupted by termination and provided that those hours of a leave of absence without pay which exceed 152 consecutive hours shall be deducted from the authorized hours of service total for purposes of determining seniority credit.

For purposes of seniority only, an employee who is laid off and reappointed to a regular position within two years of layoff shall not be considered to have terminated. However, no seniority credit shall accrue for such an employee during the period of layoff.

For purposes of layoff, displacement, and involuntary reduction in authorized hours, seniority credit shall accrue for classes in which permanent status has been obtained. Seniority may be accumulated when moving from one department to another (e.g., through promotion, transfer, or demotion) however, it shall only apply to the department in which a workforce reduction is to occur and only for classes

designated for layoff or affected by displacement or involuntary reduction in authorized hours within the department.

Seniority credit for prior service in higher or equal levels in which permanent status was obtained shall be applied to a current class in which permanent status has been obtained. Permanent service in two classes at the same level shall be combined and accrue to the most recent class for seniority credit.

Seniority in the current class shall be added to seniority in the next lower class in which permanent status has been obtained for purposes of displacement. Determination of the relationship between existing classes with respect to higher, equal or lower status shall be based upon the current relationship of the fifth step salary for the classes.

If an employee has achieved permanent status in a class which has been abolished, seniority credit will be applied to an equal or the nearest lower level class, if any, in which the employee has achieved permanent status based on the salary relationship in existence at the time the class was abolished.

Probationary and provisional service in a class will not be credited for seniority in the class unless permanent status is achieved in the class without a break in service. If permanent status is not achieved, probationary and provisional service and "work in a higher class" shall be counted for seniority credit in the next lower class in which the employee has achieved permanent status in continuous service.

Employees who have been promoted from a lower class to a higher class through a reclassification action since July 1, 1977, shall have one-half of their seniority credits in the lower class applied to the higher class upon completion of probation in the higher class.

26.8 OPPORTUNITY FOR EMPLOYEE REVIEW

To the extent possible under Civil Service Rules, employees should not lose their seniority credit under this article because classes have been revised, established, abolished or retitled.

All employees shall be provided an opportunity, through their employing department, to review the record of service for which they have been given seniority credit. Such records of service shall be made available to the employee upon request, but no more than once per year. Employees shall be provided an opportunity to submit information supporting a differing conclusion. Determination of credit for prior service for revised, established, abolished or retitled classes may be appealed to the Personnel Director. The findings of the Personnel Director shall be final and not subject to further review.

26.9 RETENTION OF REEMPLOYMENT LIST STATUS

Laid off employees having permanent status at the time of layoff, or permanent employees who displaced to a lower class on the basis of prior permanent status in the lower class, or permanent employees who have had the authorized hours of their positions involuntarily reduced, shall be certified to openings from reemployment lists established for each class in which they have reemployment rights.

Such employees shall be placed on the Departmental Reemployment List in order of seniority, and such employees shall also be placed on a County-wide Reemployment List as a bloc in no particular order.

A. Departmental Reemployment Lists.

If an opening occurs in the department from which employees were laid off, those on the reemployment list will be certified to positions in the class from which they were separated on a one-to-one basis in order of seniority. A Departmental Overfill List is the only list that shall have precedence over a Departmental Reemployment List. (Civil Service Rules, Section IV)

A department may request selective certification of bilingually qualified employees from a Departmental Reemployment List for a vacant position that is designated as bilingual pursuant to Article 21. If there is no departmental reemployment list, the order of certification shall be: (1) County-wide Overfill List; (2) County-wide Reemployment List; and (3) other employment lists as specified in Civil Service Rule VI B 2.

B. County-wide Reemployment Lists.

If an opening occurs in a class in departments other than the one in which the layoff took place, the Personnel Director shall certify the County-wide Overfill Lists for that class to the other department(s). If there is no County-wide Overfill List for the class, the next list to be certified shall be the County-wide Reemployment List. Names on such a County-wide Reemployment List shall be certified together as a bloc in no particular order.

A department may request selective certification of bilingually qualified employees from a County-wide Overfill List for a vacant position that is designated as bilingual pursuant to Article 21. If there is no County-wide Overfill List, the order of certification shall be: (1) County-wide Reemployment List; and (2) other employment lists as specified in Civil Service Rule VI B 2.

C. Retention of Reemployment List Status.

A laid off employee shall remain on the Reemployment Lists for the class until either of the following occurs:

(1) He/she refuses one offer of an interview or one offer of reemployment in the class from which he/she was laid off or displaced;

OR

(2) 24 months have elapsed from the date of layoff or displacement.

A laid off employee's name may also be removed from reemployment lists on evidence that the person cannot be located by postal authorities.

The name of a person on a reemployment list who fails to reply within ten (10) working days to a written certification notice shall be removed from the reemployment lists for the class. Such persons name may be restored to the list upon written request by the person.

26.10 PREFERENTIAL CONSIDERATION

The Personnel Department will, within the latitude of the Civil Service Rules, attempt to assist probationary and permanent employees subject to layoff as a result of the application of these provisions. To avail themselves of this assistance, such employee shall submit complete, up-to-date employment applications upon request of the Personnel Department. Assistance to be provided to such employees by the Personnel Department will entail:

- A. Referral of laid off probationary employees on a "re-entry" list for consideration of appointments to the class from which laid off, along with persons on other eligible lists.
- B. Referral of reemployment lists as alternate lists to vacancies in other classes for which there are no employment lists, in accordance with Civil Service Rules.
- C. Referral of "re-entry" lists as alternative lists to vacancies in other classes for which there are no employment lists in accordance with Civil Service Rules.
- D. Job search training for groups of affected employees, within staffing and on-going workload limitations.
- E. Counseling with respect to placement in other County jobs, within staffing and on-going workload limitations.

Employees whose names remain on a reemployment list may compete in promotional examinations pursuant to Civil Service Rule VIII.

26.11 EMPLOYEES APPOINTED TO LIMITED-TERM POSITIONS

Notwithstanding any other provisions of this Article (Article 26), an employee appointed to positions designated as limited term by the Board of Supervisors shall be laid off at the expiration of that limited-term position without regard to other provisions of the Article.

26.12 OTHER MEANS OF ATTAINING PERMANENT STATUS FOR PURPOSES OF SENIORITY

For purposes of layoff only, an employee with hours of service equivalent to at least six months continuous probationary service in a class may be considered to have attained permanent status in that class provided all the criteria specified below are met.

- A. The employee has completed hours of service equivalent to at least six months continuous probationary service in a higher class in the same class series.
- B. The appointment to the higher class in the class series, as described in A, above, immediately followed the probationary service in the lower class.
- C. Each performance evaluation pursuant to Civil Service Rule X (A) received in both classes had an overall rating of satisfactory or better. The employee submits a written request to his/her appointing authority which specified the class in which he/she wishes to have permanent status for purposes of layoff applied, and the appointing authority concurs with C, above.
- D. The Personnel Director verifies that sufficient hours of service were attained in probationary status, service in the two classes was continuous and uninterrupted, and that the two classes are in the same class series.

ARTICLE 27 OTHER PROVISIONS

- A. Existing and newly appointed employees in the representation unit will have their paychecks automatically deposited in a participating financial institution. New employees have two pay periods from the date of appointment to complete a payroll authorization form for a participating financial institution. Pay roll authorization forms are available from the employee's departmental payroll clerk.
- B. The County agrees to provide hepatitis inoculations on a voluntary basis to employees in this representation unit.

ARTICLE 28 RE-OPENERS

- A. Should Federal legislation be enacted which requires that members of this unit be covered by Social Security and/or Medicare, the parties agree to reopen this agreement to consider the impact on the County of such mandatory benefits.
- B. Should Federal legislation be implemented during the course of this agreement which affects the Operating Engineer's Health and Welfare Plan, the parties agree to reopen this agreement to consider the impact on this unit's Health and Welfare Plan.
- C. **ECONOMIC REOPENER FOR FISCAL EMERGENCIES** - If at any time during the term of this MOU, the Board of Supervisors declares a fiscal emergency, the County may reopen the MOU for negotiation on any economic issues including but not limited to wages, health benefits and retirement. Negotiations shall commence within 10 days of notice from the County. If the parties do not reach agreement within 30 days after commencement of negotiations, they may mutually agree to mediate the dispute under the auspices of the State Mediation and Conciliation Service, provided that such mediation shall commence within five days of the agreement to mediate and shall conclude within 14 days unless the parties otherwise mutually agree.

In the event of a declaration of a fiscal emergency, it is the county's intent to also reopen the collective bargaining agreements of other labor groups for negotiations on the economic issues outlined above in accordance with all applicable provisions of the MOU's.

ARTICLE 29 UNPAID DAYS OFF

The County agrees that there will be no temporary layoffs for this representation unit through August 12, 1998, and that the County will meet and confer on the impact of any subsequent temporary layoff,

notwithstanding the duration of this agreement or any other provision of law related to the duration of this agreement.

Attachment A of Law Enforcement Unit MOU July 1, 2009 – June 30, 2014

Reviews of Total Compensation And Recognition of Essential Services Provided by Deputy Sheriff's

1) Intent:

Representatives from the County Administrative Office, Sheriff's Department and the Personnel Department have met with Operating Engineers Local Union 3 on behalf of the Law Enforcement Unit, Law Enforcement Sheriffs Supervisory Unit and Law Enforcement Middle Management Unit. The benefit derived to the community from the work of Sheriff's Office law enforcement employees is essential.

The County of Santa Cruz strives to employ highly trained and experienced law enforcement employees. In an effort to focus on the recruitment and retention of these employees, the parties agree to work collaboratively to measure the total compensation of law enforcement employees. Upon the expiration of any existing contract, the County and Operating Engineers Local Union 3 will jointly complete an eight County (Contra Costa, Marin, Monterey, Napa, San Mateo, Santa Clara, Solano, and Sonoma) comparable total compensation study, the elements of the study will include maximum monthly salary, percentage employer pays of employee retirement, FICA, longevity pay, maximum contribution to health, dental, life insurance, and long term disability. While the County of Santa Cruz does not tie salaries and compensation to local city jurisdictions, the County recognizes the importance of competitive salaries for the local jurisdiction as a recruitment and retention tool. To that end, the County and Operating Engineers Local Union 3 will also complete a total compensation study for the four City jurisdictions within the County. The County and Operating Engineers Union Local 3 will utilize the city and county market data to review the impacts of any effects to recruitment and retention as it relates to Santa Cruz County.

The County and Operating Engineers Union Local 3 intend to make every effort to provide a compensation package over the term of a new contract that recognizes the significant scope of the duties and responsibilities of a Santa Cruz County Sheriff Office law enforcement employee when compared to those lesser duties and responsibilities of the four City jurisdictions within Santa Cruz County. To this end, the parties will strive to structure this compensation package in such a way as it results in a Santa Cruz County law enforcement employee receiving a higher compensation than their counter parts in the four local City jurisdictions.

2) Implementation in 2012-13:

On or before July 1, 2013, the County and Operating Engineers Local Union 3 will conduct a total compensation study for the four City jurisdictions within the County. The format for the study will include the elements described above for the eight County surveys. Upon completion of the total compensation study, the parties may reopen the MOU for negotiation on economic issues including but not limited to wages, health benefits and retirement to determine if changes to this agreement are appropriate. Nothing in this section is a guarantee that compensation will be increased as a result of the reviews contemplated in this section.
